# RAVEN STEEL GYM

INDOOR QUICKDRAW  
DESIGNED FOR SAFETY  
AND DURABILITY

A robust quickdraw featuring a brand-new Quicklink fix solution that prevents crossloading and eliminates noise.

With a durable lower steel carabiner and a PES sling with a wear indicator, this quickdraw ensures safety and longevity for intensive gym climbing sessions.

- Quicklink fix solution prevents crossloading and noise
- Durable and ergonomic lower steel carabiner
- Rubber Biner Fix keeps the lower carabiner in the correct position
- PES sling with a contrasting wear indicator
