# JAWS PANTS

ERGONOMIC CLIMBING  
PANTS FOR ALL-DAY  
COMFORT

With a flexible and breathable fabric, these pants ensure unrestricted movement while maintaining a comfortable fit.

Their ergonomic cut and soft material make them perfect for both climbing sessions and everyday wear. A 3/4 length variant is also available for those who prefer shorter coverage while maintaining the same flexibility and comfort.

- Ergonomic design for maximum mobility
- Highly breathable material for all-day wear
- Soft and flexible fabric for a pleasant feel
- Side brush loop for convenient storage
- Elastic waistband and cuffs for a secure fit
